

## MEMORANDUM

**DATE:** January 1<sup>st</sup>, 2015  
**TO:** MGH/GLEN Animal Users  
**FROM:** RI MUHC, Animal Resource Division  
**SUBJECT:** **Schedule for Rat and Mouse Biomethodology Workshop for year 2015**

The **Rat and Mouse Biomethodology** workshops will be offered as per schedule below. A maximum of 4 participants are accepted per training session.

Please be reminded that in compliance with the CCAC, all personnel involved with the use of animals in research, teaching and testing must be adequately trained in the principles of Animal Care and Use. Individuals listed in an Animal Use Protocol must attend and successfully complete the Biomethodology Workshop for each species they will be working with. Please note that attendance is mandatory and failure to attend may result in delays of protocol approval.

Individuals wishing to register must send their request to [ard.training@muhc.mcgill.ca](mailto:ard.training@muhc.mcgill.ca).

Training for advanced techniques and workshops can also be available at the Montreal General Hospital; these availabilities are usually only given one month in advance.

Registration closes Friday, 11:00 am prior to the workshop. No substitutions of personnel will be permitted. Cancellations must be made by 11:00 am on the Friday prior to the workshop date.
