

## Processing Turnaround Schedule

The processing turnaround schedule is for routine sectioning and staining of cases are processed within time schedule in the following table.

Number of blocks	Number of slides	Completed within
1-75	1-150	1-4 days
76-125	151-325	5-8 days
126 or greater	326 or greater	9 + days

- If special histology services are required please inquire as additional time may be needed for completion of larger cases.
- Turnaround time for projects cannot be determined until they are received. ( frozen, LCM, intervals, etc).
- Any samples or slides brought in after these times will be processed the following workday.
