

Service	Description	Internal	CSSB	
High-throughput crystallization				
	96 well sitting one drop	per plate	30 €	30 €
	97 well sitting two drop	per plate	35 €	35 €
	98 well sitting three drop	per plate	40 €	40 €
	96 well hanging drop (one drop)	per plate	30 €	30 €
	96 well microbatch under oil (one well)	per plate	30 €	30 €
	Crystal Direct Plate one drop	per plate	40 €	40 €
	Crystal Direct Plate two drops	per plate	45 €	45 €
	Crystal Direct Plate three drops	per plate	50 €	50 €
	Lipid cubic phase (LCP)	per plate	20 €	20 €
	Lipid cubic phase (LCP) + Commercial screen	per plate	25 €	25 €
	See above + Monoolein	per plate	30 €	30 €
	Automated inspection one drop	per plate	n/a	n/a
	Automated inspection two drops	per plate	n/a	n/a
	Automated inspection three drops	per plate	n/a	n/a
	Preparation of customized refinement screen + csv file	96 DWB 0.5 ml	free	free
	Training on screen builder "Scorpion" robot	2-3h	free	free
	Access to screen builder "Scorpion" robot	1h (via remote access)	free	free
Thermofluor experiment				
	Thermofluor (buffer or additive screens)	per plate	30 €	30 €
	Training	1h	free	free
	Access to the instrument	2h	free	free
Dynamic light scattering				
	DLS analysis	per sample	free	free
	DLS analysis + melting curve	per sample	free	free
	DLS training	2h	free	free
	Access to the instrument	per hour	free	free
Isothermal Titration Calorimetry				
	VP-ITC analysis	per injection	free	free
	VP-ITC training	1 day	free	free
	Access to the instrument	per day	free	free
Circular dichroism				
	CD analysis (triplicate) + deconvolution	per sample	free	free
	CD analysis (triplicate) + deconvolution + melting curve	per sample	free	free
	CD training	2h	free	free
	Access to the instrument	4h	free	free
AKTA purifier				
	Training for AKTA	2h	free	free
	Access to the instrument	per 4h	free	free
Microscale Thermophoresis				
	Microscale Thermophoresis training	1 day	free	free
	Nanotemper Label free	2h	free	free
	Nanotemper Label free training	1 day	free	free
	Nanotemper NT.115	2h	free	free
	Nanotemper NT.115 training	1 day	free	free
	nDSF Prometheus 95	2h	free	free
	nDSF Prometheus 96 training	1 day	free	free
	SPR Biacore T200	2h	free	free
	SPR Biacore T200 training	1 day	free	free
	Ultra centrifuge	4h	free	free
	Ultra centrifuge	per run	free	free
