

# HEALTH, SAFETY & ENVIRONMENT POLICY STATEMENT

UNIVERSITI  
TEKNOLOGI  
PETRONAS

Universiti Teknologi PETRONAS (UTP) is committed to provide a safe and healthy work and study environment for all employees, students, contractors and visitors.

UTP shall continuously undertake reasonable and appropriate measures to identify and manage risks of injuries, occupational illnesses, health hazards and damage to properties.

UTP shall take proactive measures towards the conservation and preservation of the environment.

UTP shall:

- Comply with all applicable Occupational Health, Safety and Environmental regulatory requirements
- Provide the necessary system and resources to manage Health, Safety and Environment matters and ensure continuous improvement
- Organise programmes to identify hazards and provide control measures to eliminate or reduce the risks
- Ensure that all facilities, equipment and tools are safe to be utilised at all times
- Engage and communicate with stakeholders on Health, Safety and Environmental issues
- Ensure that contingency plans are in place to manage emergencies

UTP requires all its employees, contractors and students to strictly adhere to this policy at all times.
