

# Michigan Diabetes Research Center

## Application to use the Chemistry Laboratory

To use the services of the MDRC Chemistry Laboratory on a recharge basis, it is necessary to provide the information requested below. The various analytical services provided by the Chemistry Laboratory and the recharge costs involved are described on the attached sheet.

Investigator \_\_\_\_\_ Department \_\_\_\_\_

Campus Address & Box No. \_\_\_\_\_

Telephone/e-mail Address \_\_\_\_\_

Funding Agency & Grant No. \_\_\_\_\_ U/M Acct. No. \_\_\_\_\_

Grant Title \_\_\_\_\_

Total Award Period, From \_\_\_\_\_ To \_\_\_\_\_

Total Amount Awarded \_\_\_\_\_

Administrator of Account \_\_\_\_\_

Address & Box No. \_\_\_\_\_

Telephone/e-mail Address \_\_\_\_\_

Assays Requested:

| <u>Assay</u> | <u>Estimated No. of Samples/Year</u> |
|--------------|--------------------------------------|
| _____        | _____                                |
| _____        | _____                                |
| _____        | _____                                |
| _____        | _____                                |
| _____        | _____                                |

Briefly describe the project for which the above services are requested:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

If applicable, briefly describe the relationship of this research to diabetes or related endocrine and metabolic disorders:

**The MDRC must provide NIH with periodic reports of use of the Chemistry Laboratory. By signing this application, you agree to provide the MDRC with information concerning publications and other research funding that has resulted from this use of the Chemistry Laboratory.**

Signature of Principal Investigator \_\_\_\_\_ Date \_\_\_\_\_

Signature of Administrator \_\_\_\_\_ Date \_\_\_\_\_

Please return the completed and signed application to:

MDRC Chemistry Laboratory

Medical Sciences Research Building 2 (MSRB2), Room C562

1150 W Medical Center Drive

Ann Arbor, MI 48109

Telephone: (734) 764-8044

Fax: (734) 615-1346

Application Approved:

\_\_\_\_\_ Date \_\_\_\_\_

David Manthei, M.D, Ph.D.

Director, MDRC Chemistry Laboratory
